

SUPER HERO MOM

Who would ever think that this 3 letter word could be so powerful and so forever life-changing? M-O-M. Moms are essential. Moms are irreplaceable. Moms are strong. Moms have endless energy to provide for her family. It's an honor to be called to be a Mom—whether you carried your baby in your own womb, or adopted a precious child, or God uses you as a Mom-figure for someone. Moms are real-life superheroes.

Moses' Mom, Jochebed, in Exodus 2:1-10 is an example of an amazing Mom. Jochebed was

brave and saved Moses' life, like a superhero! Rather than stand by and see her baby boy killed because of Pharaoh's law, she trusted that God had a good plan for her son's life. Jochebed was strong and courageous. She made a basket, put baby Moses inside of it and put it in the Nile River, which was filled with crocodiles, hippos and other wildlife. Talk about trust in God! His basket drifted along the edges of the river until Pharaoh's daughter found the basket and Moses. She knew that Moses must be a Hebrew baby, but her heart was filled with compassion for

him. As only God could do it, Pharaoh's daughter rescued Moses, and then sent him back to Jochebed so that she could nurse him and raise him – all while being paid to do so. God blessed Jochebed and Moses was reunited with his mother. She was a hero—literally.

Moms are a reflection of God's love and beauty. But, as beautiful as Moms are, we are warriors. Like Jochebed, Moms are Beautiful Warriors who do not shrink back from emotional, physical and spiritual battles for their children. Whether we are battling to get our children to eat their veggies, do their homework, obey the first time, turn off their devices, or to embrace who God has made them to be, we are the tool God uses to shape and develop our kids.

Proverbs 22:6 instructs us to, 'Train up a child in the way he should go: and when he is old, he will not depart from it.' We know that Jeremiah 29:11 speaks to our kids and to us when God says, For I know the thoughts that I think toward you... thoughts of peace, and not of evil, to give you an expected end. Through prayer and influence, we battle for their character, heart, and mind. We reflect and give Godly direction for them. We teach them to do what's right, and steer them away from things that are wrong and harmful. With God's help, we see long-range, beyond their current age, and consider their future in order to help them navigate their present. We pray. We praise. We teach our kids the love of God.

Our kids may think we are invincible, strong, skilled at everything, omniscient, even omnipresent! But, Moms, we know the truth—all we are is only because of God and we are in no way perfect. The most powerful lesson to teach our children— even more powerful than the secret family peach cobbler recipe—is how to be strong in the Lord and to receive God's love. When we teach our children to seek the Lord and to boldly live by what He tells us in His Word, we equip them for success for life. Receive God's love and blessings for you today. Be the best Mom you can be and step boldly into your superhero, God-anointed calling!

HOW ARE APPLES LIKE MOMS?

Apples were made by God. They are healthy, good and sweet. If you look closely, every apple is different, unique and hand-picked. God made Moms, too. Each Mom is beautiful, strong and unique, but each one is made by God, handpicked by the Lord for her family. Moms care for us, keep us healthy, sacrifice for us and love us. Moms are not perfect, but they are special and to be loved. Thank God for Moms!

Kidz World Lessons

Here's what your child will experience in Kidz World this month!

Up next, your Teeny Towner is continuing to discover more of God's loving nature through His Names. Each Name God has revealed in His Word helps us to learn more about His character and love for us. During the month of May, we are going to learn about Jehovah Rohi - The Lord Our Shepherd. Psalm 23 paints the picture of our Lord, the Good Shepherd. God has promised to take care of us. He provides all we need, gives us rest and peace and stands as our Defender. Thank God for Jehovah Rohi - The Lord our Shepherd!

During the month of May, we are teaching our children how to defend their faith. In the midst of influences from the media, their schools and their peers - to name a few- children are being challenged to deny the reality of Jesus and their relationship with God through Him. Our children must know and understand the foundation of their Christian faith. But it can't stop there! They must also be equipped to be a witness to others, bringing them into the Kingdom of God. We'll get to the CORE during our Sunday and Wednesday services. Ask your children what they've learned in Kidz World and help them live out their faith during the week.
